PROFESSIONAL EXPERIENCE

Intern, Software Developer

March 2026 – August 2026

Jabatan Teknologi Digital dan Informasi Wilayah Pantai Barat Utara — Kota Marudu / Wilayah Pantai Barat Utara, Sabah

- Contributed to the development and enhancement of the JTDIS Asset Management System (Pengumpulan Aset), a web-based platform for managing government ICT assets, users, agencies, and administrative workflows — building and enhancing modules for user management, asset management, dashboards, and role-based access control.
- Implemented a secure cascading Wilayah → Daerah → Agensi user-registration flow with server-side validation and role-based access control.
- Completed implementation, testing, and deployment preparation — including QA verification — culminating in a release-ready v1.0.1.
- Facilitated a workshop on the Electronic Document Management System (Sistem Pengurusan Dokumen Elektronik, SPDE) for staff at Pejabat Daerah Kecil Banggi.

ACADEMIC PROJECTS

Hidden Paradise Resort Papar Management System

March 2025 – February 2026

Solo Final Year Project — Web-based resort management system — HTML, CSS, JavaScript, PHP, SQL

- Independently designed and built an 11-module system — Booking, Room, User, Event, Activity, Ticketing, Gallery, Information, Feedback, Promotion, and Reporting Dashboard — to run daily operations for a rural resort and event space.
- Replaced fully manual, paper-based record-keeping with a centralized digital system covering bookings, room allocation, activity and ticket sales, customer feedback, and operational reporting.
- Applied the full software engineering lifecycle: requirements analysis, system modeling, relational database design, and usability testing with end users.

EDUCATION

Bachelor of Computer Science (Software Engineering) with Honours

October 2022 – August 2026 (Expected)

Universiti Malaysia Sabah (UMS)

- Cumulative GPA: 3.30 / 4.00
- Relevant coursework: Data Structures & Algorithms, Software Engineering, Database Systems, Web Engineering, Mobile Application Development, UI/UX Design, Parallel Programming, Distributed Systems

Diponegoro Exchange Experience Program (DEEP), Full-Time Exchange

August 2025 – December 2025

Universitas Diponegoro

- Cumulative GPA: 4.00 / 4.00
- Relevant coursework: Cybersecurity, Software Evolution

Matriculation Certificate

May 2022

Labuan Matriculation College

- Cumulative GPA: 3.58 / 4.00
- English Proficiency: Malaysian University English Test (MUET) – Band 4.0

SKILLS

Programming Languages: C/C++, Java, Python

Web Development: HTML, CSS, JavaScript, PHP

Database: SQL

Software & Concepts: Software Engineering, UI/UX Design, Software Quality Testing, System Analysis & Design

Languages: Malay (native), Kadazan Dusun (native), English (professional), Indonesian (basic).

CERTIFICATIONS

Professional Agentic AI Engineering

August 2026

Nexperts Academy Sdn Bhd

- Certificate of Achievement for successfully completing training on Professional Agentic AI Engineering (03–21 August 2026).

ACHIEVEMENTS & ACTIVITIES

Dean's Cup Sports (FKI)

2023 – 2024

Kota Kinabalu, Sabah

- Volleyball team member on an 8-person team; helped secure Third Place in the tournament.
- Competed in Tug of War as part of a 10-person team; earned Second Place, drawing on coordination and resilience under sustained physical effort.

Digital Training Week Talk: “Branding Diri dengan TikTok”

October 2024

Attended session on digital communication, personal branding, and audience engagement strategies.
